Re: Privacy Act routine use

Dear Ms. Gramian:

Thank you for your attached letter dated June 6, 2016, related to adding a routine use to agency Privacy Act System of Records Notices (SORN) for disclosure to the Office of Government Information Services (OGIS).

The Office of Science and Technology Policy (OSTP) is a very small agency. OSTP has not issued Privacy Act regulations or any SORNs. For this reason, OSTP does not have Privacy Act regulations or an existing SORN to amend to provide for a routine use for disclosure to OGIS.

I hope this information is helpful. Please let me know if I can further assist. Thank you.

Sincerely,

Jennifer Lee
