Dear Ms. Gramian,

I write on behalf of the National Endowment for the Humanities ("NEH"). Last week, you wrote to our Deputy Chairman requesting that NEH revise its FOIA/Privacy Act system of records to identify transmission of such records to OGIS as a routine use. I wanted to let you know that NEH is currently in the process of updating and republishing its systems of records in the Federal Register, and will add an OGIS-related routine use along the lines you have requested.

Please let me know if you have any questions, or if you would like to discuss. Best,

Adam
