Dear agents of the United States, In an initial adverse adjudication made on November 6, 2014 under ACUS' FOIA Case 2015-7 with respect to my FOIA Request for the performance and strategic plans of the ACUS, I was DENIED the actual plans but was instead provided nothing more than what appears to be the following internet website-page addresses:

"<http://www.acus.gov/report/acus-2011-performance-and-accountability-annual-report>"

"<http://www.acus.gov/report/2012-annual-report>"

"<http://www.acus.gov/report/acus-2013-performance-and-accountability-annual-report>"

In the same such adjudication, I was also DENIED notification of my right to appeal to the head of the ACUS with respect to its adversity. Sincerely, Brady Eames
