Dear agents of the United States, Please explain why the EPA's 2013 and 2014 FEDERAL REGISTER "notices " regarding the genesis, purpose, establishment, organization, administration and procedures of "FOIAonline.gov " are **NOT** indexed under "**Freedom of Information Act**" and/or under "FOIA" and, therefore, appear to be CONCEALED from the **OFR's 498-page-online-version** of the annual FEDERAL REGISTER covering the contents of the **EPA's six hundred and seventy five (675) "notice" documents** published in the FEDERAL REGISTER in 2013 and from the **OFR's 473-page-online-version** of the annual "**Federal Register Index**" covering the contents of the EPA's **six hundred and eight (608) "notice "** documents published in the FEDERAL REGISTER in 2014. Thank you, Brady Eames

Dear agents of the United States, Referring to the **2014** online version of the **GSA's** FOIA regulations under *41 CFR 105-60.000-60.405*, it appears that the GSA has done nothing more than **RE-codify** its **pre-1999 OUTDATED FOIA regulations**...just as the **GSA** did in 2013! Please explain. Thank you, Brady Eames
