Dear agents of the United States, Referring to "gpo.gov" and to the *Federal Regional Depository Library in Logan, Utah*, it appears that the EPA has, since **July 1, 2014**, been engaged in perpetually neglecting to codify and publish its **FOIA regulations** in the **2014** version of *Title 40 of the CFR*. Please explain. Thank you, Brady Eames

Dear agents of the United States, Albeit the **EPA** mandates on its internet website pages that the public **submit/file** an electronic **FOIA request** or appeal via "FOIAonline " (see <http://www.epa.gov/foia/guide.html#request2> , [http://www.epa.gov/foia/make\\_a\\_request.html](http://www.epa.gov/foia/make_a_request.html) and <http://www.epa.gov/foia/submission.html>), it appears that the FEDERAL REGISTER does **NOT reveal** that the EPA's **FOIA regulations** have been **amended to codify** such procedures! Please explain. Thank you, Brady Eames
