Dear agents of the United States, Unpublished on the websites of the Administrative Committee of the Federal Register, Office of the Federal Register, National Archives and Records Administration, Government Printing Office and Federal Depository Library Program are any notices informing the public of the free use of the services of "Lexis-Nexis Academic Universe" and of "HeinOnline" available in the Federal Regional Depository Library in Logan, Utah for the purpose of accessing the 1936-2014 electronic daily issues of the Federal Register and the 1936-2014 annual indexes covering the contents of such daily issues. Please explain. Thank you, Brady Eames
