Dear agents of the United States, Ignorant of or contemptuous of its own *Recommendation 305.76-2* of **July 19, 1976**, it appears that the **ACUS** has been derelict in guiding the public and has egregiously undermined *44 USC 1510* and *1 CFR Part 8* pursuant to **not** publishing, codifying and preserving as **rules** and **regulations** in the **2011-2015** editions of *Chapter III of Title 1 of the CFR* any of its **Recommendations** and formal **Statements** which were, in fact, published, codified and preserved as **rules** and **regulations** in the **1974-1995** editions of *Chapter III of Title 1 of the CFR* or any of its **Recommendations** and formal **Statements** which have been issued during President Obama's administration since **November 10, 2010**. Shall we assume that *Recommendation 305.76-2* has been clandestinely revoked by the **ACUS** and that any and all of its past **Recommendations** or formal **Statements**, or any of its prospective **recommendations** and formal **statements**, shall **not** be published, codified and preserved **rules** and **regulations** because they have absolutely **no** legal effect and general applicability? Please explain. Thank you, Brady Eames P.S. Perhaps the ACUS should consider changing its title to "Administrative Conference of Hypocrisy"

ACUS defies its Recommendation 305.76-5 and "concise statement and purpose" of 1 CFR 301.1

Dear agents of the United States, In what appears to be contemptuous defiance of its own *Recommendation 305.76-5* of **December 30, 1976**, the **ACUS** has been derelict in performing its duty of publishing with *75 FR 68941-68942* of **November 10, 2010** any concise statement of the basis and purpose of undermining *44 USC 1510* and *1 CFR Part 8* and keeping the public in the dark by **not** publishing, codifying and preserving all of the past and current **Recommendations** and formal **Statements** of the **ACUS** in *Chapter III of Title 1 of the CFR*. Please explain. Thank you, Brady Eames
